

BEYOND SURF & SAND

GOLF

Ocean City, Maryland boasts 17 championship courses designed by the legends of the game. Our own premier course, Eagle's Landing, is like no other course you've ever come across. With views of the Sinepuxent Bay and Assateague National Seashore, it's the only Maryland course certified as an Audubon Sanctuary. If putt-putt is more your style, there are endless opportunities for a hole-in-one at our mini golf courses.

RELAXATION

OC loves to relax. And there are many ways to kick back and do just that.

- Spas – Pamper and rejuvenate yourself at one of OC's great day spas. Treat yourself to a massage or manicure.
- Lavender Fields – Explore this 19th century farm devoted only to calming, fragrant lavender. Perfect for absorbing the calming surroundings with close friends. Or take a walk through the Labyrinth – a duplicate of the Chartres Cathedral outside of Paris.
